

Suited Up

DRESSING ONE GRAD AT A TIME

Our Story

Suited Up is an initiative launched by men's accessories designer and lifestyle influencer Sultan Sandur. He noticed that there is a need in the community and decided to make a difference.

Our initiative aims to assist high school grads in Kamloops, BC. who have been able to succeed despite facing adversity. To alleviate expenses, we will provide selected grads with suits/rentals and accessories for their prom.

Graduation is a major milestone and we want ensure that we do our part in helping one student each year to enjoy their achievement instead of stressing about costs. We plan to expand the program to more than one grad a year as we raise more funds.

Participants are confidentially nominated by friends, family, and high school staff.
